

Alumni Societies: Sources

How to use this list of sources

This is a list of some of the collections that may provide a useful starting point when researching this subject. It gives the collection reference and a brief description of the kinds of records held in the collections. More detailed lists are available in the Searchroom and from our [online catalogue](#). Enquiries should be directed to the Duty Archivist, see contact details at the end of this source list.

Introduction to Alumni Societies

Alumni societies provide a means for graduates of a given university or academic institution to remain connected with their fellow graduates and their former educational institute. The activities and pursuits of alumni societies vary, but all act as a link with the former college community and often actively support the ongoing academic or social aims continued by their alma mater.
